

American Dream Show Guest:

GARY KRUPP

Gary Krupp started businesses in the medical field with the development of the first multi-modality imaging center on the South Shore of Long Island. South Shore Imaging Associates (SSIA), was a 7 million-dollar project featuring MRI, CAT Scanning, Ultra sound, Radiology and Fluoroscopy. South Shore Imaging was organized as a Limited Partnership.

Mr. Krupp was the managing General Partner, whose responsibility was to develop and close the Limited Partnership, build and finance the construction of the building and finance the acquisition of the medical equipment.

Mr. Krupp built Williamsbridge Imaging Associates, a single MRI facility in the Bronx, N.Y. as well. Mr. Krupp applied to the NYS Dept. Of Health for a Certificate of Need (CON) approval to build a 14-station kidney dialysis center in upstate New York. This approval was granted and Mr. Krupp supervised and built a ten thousand square foot building to house the unit.

Mr. Krupp has worked extensively for the Caritas Foundation, to benefit abused and homeless children throughout the Nation and sits on the board of directors The Trooper Foundation. State of New York, benefiting the NYS Police. He is the Vice-Chairman of The Coalition to Save Belleayre Mountain, where he recently was successful in obtaining 8 million dollars from the State, for this DEC operated facility. Mr. Krupp maintains a strong relationship with the Holy See Mission at the United Nations and been recognized for work he has done over the past 11 years to benefit facilities operated by the Vatican.

On July 29, 2000, Mr. Krupp was honored by The Holy See and Pope John Paul II, and was invested as a Knights Commander of the Pontifical Order of St. Gregory the Great. Mr. Krupp is only the Seventh Jewish man in history to be so honored. In September 2002 Mr. Krupp will be the recipient of the Tree of Life award, given by the Jewish National Fund along with Ambassador Alon Pinkus, Consul General for Israel. This is for his work toward ecumenical reconciliation among the World's religions.

Mr. Krupp is currently the COO of First Responders, Inc. A company started Feb 2000, to attempt to prepare the medical community, industry, private companies and the general population for a terrorist attack.
